KINGDOM FELLOWSHIP WEEKEND 2020 LIVE ONLINE

*"Rise up, O men of God!
His Kingdom tarries long:
Bring in the day of brotherhood,
And end the night of wrong."*

- William Merrill

The in-person event at Roxbury Campground has been cancelled for this year because of COVID-19 and current mandates surrounding that.

As a planning team, one of our prayers each year is that if God has something different for us that He would show us that. We are living in unprecedented times. Seismic changes have occurred in the last four months and so much is happening right now. Men's hearts are failing because of fear. But God has not given us a spirit of fear, but of power and of love and of a sound mind (2 Timothy 1:7).

So, what does it look like for the church to steward this window of opportunity? How do we relate to all the issues that we face? What if the **Kingdom Fellowship Weekend** community would still spend a weekend in 2020 sitting under sound teaching and praying in unity from our own parts of the world?

We are sensing that God is calling us to press into an online format of messages that are applicable to the issues that the church and our world is currently facing. Lord willing, we plan to do these messages over three evenings, **Friday – Sunday, August 21, 22, and 23** beginning at **7:00 pm EDT**.

We are happy to announce that the John Byler family will be sharing several songs live prior to each session (beginning at 7:00 pm EDT). Pray for them as they prepare for this.

MARK your calendars, INVITE others, and JOIN to hear what our Father would have us HEAR and DO!

As you plan to participate in this weekend:

- Please be praying for the speakers.
- Please pray for the tech team as they prepare to host a large group online.
- Fellowship has always been a big part of **Kingdom Fellowship Weekend**. This year we will need to be more creative in making that happen. Towards that goal:
 - we will be using an online platform where you can submit questions that the speaker will respond to after each session.
 - consider hosting folks from your community at your home and watch these messages together. As one brother on the Planning Team said, "Over this time I would see prayer, meals, and fellowship happening in homes in our local church communities!"
 - at the end of each evening we will be sharing a list of discussion questions for you to engage with your friends and local congregation.
